The Kuala Lumpur International Airport is approximately 75 kilometres from Kuala Lumpur's city centre. T: +603-87762000

■ **Airport Limo**

The rates vary according to type of Limo and the destination. Purchase the fixed price voucher at the counter located at The International Arrival area, level 3, right after Customs.

■ **Taxi**

The taxi fares vary depending on the destination. Purchase the fixed price voucher at the counter located at The International Arrival area, level 3, right after Customs.

■ **KLIA Ekspres**

Purchase the ticket at the counter or vending machines located at the Arrival Hall, Level 1. The operation time is from 9 am to 12 midnight. It provides a non-stop journey between KLIA and KL Sentral. The journey takes only 28 minutes with secure containers to check-in and check-out luggage. Normal fares for one-way is RM35 (adult) and RM15 (children) while the return fare is RM70 (adult) and RM30 (children). You can also take a taxi or bus from KL Sentral to the respective hotel.

■ **Buses**

a) **Express Coach**

The journey from KLIA to KL Sentral will be approximately 1 hour. The fare for one-way is RM10 (adult) and RM6 (children) while the return fare is RM18 (adult) and RM10 (children). Tickets can be purchased from the ticket counter located on the ground floor, Block C, at KLIA.

a) **Other Buses**

Shuttle Bus (RM1.50 per trip) provides services from KLIA to LCCT. Once you reach LCCT, you can take either the **AeroBus** (RM8 per trip) or the **Sky Bus** (RM9 per trip) to KL Sentral. You can also take a taxi or bus from KL Sentral to the respective hotel.

From Low Cost Carrier Terminal (LCCT)

LCCT is located about 20 kilometres from KLIA. It is specifically designed to suit the Low Cost Carrier business model. T: +603-87778888

■ **Budget Taxi**

The taxi fares vary depending on the destination. Purchase the fixed price voucher at the counter at the left hand side right after Customs.

■ **Bus**

Take the **AeroBus** (RM8 per trip) or the **Sky Bus** (RM9 per trip) to KL Sentral and take a taxi or bus to respective hotel.

Puduraya Bus Station

Main bus station is in Kuala Lumpur, located at Jalan Tun Perak, near China Town. T: +603-20700145

KL Sentral

Main railway station of KL for KL Monorail, LRT, KTM & Ekspres Real Link. It is located at Brickfields. T: +603-27868080

Weather

Weather is generally hot & humid with a definite rainy season. The heaviest rains fall in two periods, which are November to February (Northeast Monsoon) and May to September (Southwest Monsoon). Other than that, there are brief periods of light variable winds during the changeover in March and October.

Getting around the city

There are several modes of transportation available around the city:

■ **Taxi**

Plenty of inexpensive taxis can be flagged down from almost every point in the city. As a precaution, some drivers might refuse to turn on meter. You should use your bargaining power or hail for another taxi.

■ **Bus**

Buses are a cheaper alternative to travel around the city. There are bus stops located at strategic points of Kuala Lumpur that will lead you to various places. Bus tickets can be purchased when entering the bus (from a bus conductor/ticketing machine).

■ **Light Rail Transit (LRT)**

Punctuality and affordability has made LRT the most preferred mode of transport. It connects the key districts areas in the city where famous tourist areas are concentrated. There are two types of LRTs which are the Putra LRT and STAR LRT.

■ **KL Monorail**

An inner-city public transit system which comforts with air-conditioning at very reasonable fares. KL Monorail has made the central business, hotels and major shopping centres of Kuala Lumpur more accessible.

Places of Interest

■ KL Tower

Have an unforgettable time at the world's fourth tallest tower. Besides the panoramic view, it is also surrounded by the Bukit Nanas Forest, allowing you to enjoy forest walks. Cultural shows are also available at certain time according to the schedule.

■ Petronas Twin Towers (KLCC)

The 88-storey, world's tallest twin towers allow you to enjoy the bridge tour (sky bridge) between 8.30am - 5.00pm from Tuesday to Sunday. There is a park with a jogging path, a fountain with light shows and a children's playground below KLCC.

■ Sept - Hari Raya Aidilfitri

It falls on the 1st day of the Muslim month of Syawal and is a joyous occasion for all Muslims. They will pray in mosques, have open houses with traditional Malay delicacies being served throughout this festive season.

■ Nov - Jan - Malaysia Year End Sale

The Malaysian Sale Carnival is always held at the end of the year. Nationwide shopping promises better bargains, promotions and overall a fun time for all avid shopaholics and even the regular tourists.

Things to Know

- As Malaysia has a large Muslim population, it is better to dress respectfully especially in rural areas; Kelantan & Terengganu (wear trousers instead of shorts, covering shoulder is recommended but not necessary)
- Always take off your shoes when you enter a house or a place of worship.
- Do not receive or give anything with your left hand.

■ Avoid commenting on matters of religion, race and politics.

■ Chinese believe that number "4" symbolises death, Malays do not take food containing pork or alcohol (Halal), and Indians do not consume beef.

Currency

Malaysia Ringgit (MYR) is being used in Malaysia with the below exchange rate (approximately):
